

# Make *your* mark on forever.

In the passionate pursuit of diamonds, our young Canadian mining operation is building upon the diversity of our people, their skills and De Beers' 120 years of experience to find and responsibly mine nature's oldest and most precious treasure.

If you like chasing demanding targets, thrive on making tough decisions in the pursuit of excellence, and enjoy the support of the world's finest experts, we have a place for you.

De Beers Canada, owner of the Snap Lake and Victor mines and managing partner of the Gahcho Kué Project, is looking for team players who value mining with respect for the environment and communities close by, and who will live up to everything a diamond represents – forever.

## Maintenance Superintendent, Victor Mine

Posting: 2011-2012

Rotation: 4 days in, 3 days out

De Beers Canada– Victor Mine has an exciting career opportunity for a highly skilled professional to manage maintenance activities for our process facility. The ideal candidate would be one who is committed to safe working practices and strives for zero harm.

Responsibilities include but are not limited to:

- Manage the mechanical, electrical, and technical teams within the Process Plant Maintenance group;
- Manage the maintenance cost of responsible areas effectively, including capital projects;
- Drive continuous improvement throughout the department by analyzing and implementing continuous improvement activities;
- Establish and maintain engineering best practices with regards to maintenance and projects;
- Ensure all safety, health, environment and legal standards are met and maintained.

Requirements:

- Engineering Degree or Diploma with PEO professional license;
- Minimum five (5) years experience in maintenance engineering at the Superintendent or Management level;
- Experience in maintenance of process facilities;
- Strong communication skills, both verbal and written, and sound leadership skills are essential;
- Experience working in a cross cultural environment.

Interested candidates are to submit their resume
